Sophomores Win Field Day Events By Ten Points

By BUDD PEASLEE

The annual field day and Men's Club dinner passed into history on Oct. 18, with the sophomores winning on the long end with a 40-30 total score.

The sophomores won both the men's and women's volleyball events, and men's softball and men's touch football. The freshmen won women's hockey, women's softball and the mud brawl.

In the scoring, 10 points were awarded for a win, 5 points in case of tie, and no points for a loss.

Mud Brawl

Although outnumbering competing freshmen, the sophomores lost the mud brawl when they abandoned the tug-of-war and rushed their rivals, according to Coach Regli. In the ensuing melee it would have been difficult to select an absolute winner and some spectators, too close to the fringe, carried home Hartnell soil, generously mixed with water.

The afternoon events went off with clock-work precision under the direction of faculty advisors, Mr. Jess Regli, Mr. William Criswell, and Mr. Emil Ramos. All contestants exhibited a fine sense of sportsmanship in spite of the natural rivalry and enthusiasm inherent in this type of contest. There was but one casualty of consequence, which resulted from the many violent body contacts in the touch football game. Victor Scotti received a broken nose.

Dinner Served

Following the strenuous afternoon, a spaghetti dinner was served to 230 persons by the women's home economics class. Music was furnished by the orchestra.

Coach Jess Regli, pressed for a few comments, stated that the events brought out a decided lack of school spirit reflected in non-participation by the great majority of the Hartnell student body.

Stage Settings Are Complete For Presentation of "Macbeth," Scheduled to Play Nov. 1, 2 and 3

By MARJORIE HITCHCOCK

Oct. 18—Stage settings, lighting and music have all been worked out for Hartnell College-Community Players' Production of "Macbeth," which is scheduled for performances on Nov. 1 and 2 at 8:30, and a matinee on Nov. 3 at 2:15.

Mr. Hal Ulrici, director of the players, designed the set, and Wilfred Wong, veteran stage designer at Hartnell, has, with the magic of stagecraft, turned flimsy stage settings into "stone masonry."

Hartnell ASB Brings Jazz Artists to Town

On Oct. 29 the Associated Students of Hartnell College will sponsor the Chico Hamilton quintet in a concert entitled, "Jazz Showcase, 1956." The concert will be held at the Salinas High School auditorium, and will begin at 8:30 p.m.

Tickets may be purchased at either Gadsby's Music Company or Ahrenkiel's Music Shop, or by contacting any member of the Student Commission.

Help Wanted

Barbara Church, commissioner of social activities, needs volunteers to work on decoration and refreshment committees for the Homecoming dance to be held on Nov. 3.

Those wishing to volunteer for these committees should contact Barbara Church at the earliest possible date.

Parking Area Being Considered

The Hartnell College Board of Trustees has approved drawing up a contract between the college and Monterey County Surveyors, Inc., for surveying the proposed 100-car parking lot, to be located on the present baseball diamond adjacent to the men's gym.

Bids will be opened for the construction of the lot in about three or four months. The lot will cost around \$20,000, and may be completed before the end of the school year.

Livestock Show

Agriculture students from Hartnell A. and M. will attend the Grand National livestock exposition at the San Francisco Cow Palace Nov. 3.

Champion cattle, sheep and hogs will be sold at an auction sale.

Eighteenth Annual Homecoming Queen Contest to Be Held Monday, Tuesday

By SANDRA LIM

This past week has been campaign week for the candidates and sponsoring clubs of the 18th annual Hartnell homecoming queen contest.

As of Oct. 19, the following coeds were reported to the *Panther Sentinel* as candidates in the 1956 queen contest. They are: Kay Bourgerie, Women's Athletic Association; Rosemarie Clampitt, Engineer's Club; Betty Eckerson, Business Club; Marion Johnson, Ski Club; Doris Kitamura, Art Club; Darlene Schlapia, Intervarsity Christian Fellowship; Carol Ann Stewart, Newman Club; Mary Ellen Stewart, Colhecon Club.

The primary election will be held Monday, Oct. 29, with final elections on Tuesday, Oct. 30. Finalists from the primary will appear on the final ballot, which will determine

the winning candidate. All student body members are eligible to participate in the voting.

The name of the queen will be withheld until the coronation on Nov. 2. The student body will be in attendance when the queen is crowned.

MARY ELLEN STEWART, freshman coed, hails from King City. The Colhecon Club, homemaking association at Hartnell, is sponsoring the King City high school graduate. Mary Ellen was active in high school as a yell leader and as a rally girl. This year she is one of the Hartnell rally girls.

Sewing, collecting records and dancing are her hobbies. Mary Ellen's ambition is to be a fashion designer. Next stop after Hartnell will be a school of fashion design.

CAROL ANN STEWART, Newman Club entry, is a freshman from King City. Carol is a graduate of the King City high school where she was a member of the Girl's Athletic Association, Commercial Club, Block K.C. and Music Club. While in high school Carol served as a yell leader.

Being an accomplished vocalist her primary interest is music. Carol is majoring in business at Hartnell and is planning for a career as a secretary.

La Reata Staff Members Named; Sophomore Pictures Scheduled

The complete La Reata staff for the 1956-57 edition has been announced by Editor Jerry Crumm.

Although much of the work will necessarily be a "community" enterprise, using all members of the staff, direct responsibilities have been assigned as follows: Associate editor, Larry Parker; men's sports, Clark Borges and Jay Bacciarini; women's sports, Sherrie Hutchinson; organizations, Bill Sheppard; faculty, Budd Peaslee; A. and M., Mickey Davis; freshmen, Rosie Mamsuka; sophomores, Joan Martella; candid and photo librarian, Marcia Riemers.

Photography is the primary responsibility of the Graphic Journalism class, consisting of Bob Godard, Hal Thompson, Al Burke, Gerry Meeks and Al Oliver.

Design and art work will be handled by Mr. Tom Silliman's class in Commercial Art.

Sophomore Pictures

Approximately 100 sophomores have had their yearbook pictures taken this week and last. Photographer Ed Frayne has taken all pictures to date in his studio, where he feels he can do a better job.

For the benefit of sophomores who could not come to the studio, however, he will set up shop at the college on Wednesday, Thurs-

day and Friday mornings of next week. Sittings will be scheduled for three hours each morning, from 9 to 12, in the Silliman Library. Students may be excused from classes for the required few minutes if necessary.

Last Chance

Scheduling for these days, the last opportunity for sophomores to have their pictures in this year's La Reata, should be done in Room 9 as soon as possible.

A & M Chooses Student Leaders

Ray Perez was elected president of the A and M student body on Oct. 17, with Don Ferranti as vice-president.

The office of secretary-treasurer was filled by Silvia Bernardi, and public relations director by Jim Fisher.

Candidates who also ran for office were Norman Riparitti and Dave Ramirez for president, Richard Flemming for vice-president, Don Larsen and Mike Ford for secretary-treasurer and Dick Del Curto for public relations director.

President Perez is a sophomore at Hartnell and a graduate of Gonzales High School.

Perez Funeral Held Oct. 19

Funeral services for Max G. Perez, 29-year-old Hartnell machine shop major, were held at Muller Mortuary at 9:45 a.m., Oct. 19, followed by a requiem mass at St. Christopher's Catholic Church in Gonzales.

Perez succumbed on Oct. 18 to internal injuries received in a car-truck collision which occurred on Oct. 15 on U.S. Highway 101, north of Salinas.

He was a resident of Castroville and formerly from Gonzales, where his parents still reside.

A World War II veteran, Perez was the father of five children. This was his first year at Hartnell College. He had planned to graduate from Hartnell in two years, with an AA degree.

CAMPUS ACTIVITIES: I like the guys who stare at the chessboard in the lounge, pretending to have knowledge of the game. Guess it gives one prestige. My knowledge of chess is absolutely zero. I like to stare. I like prestige. . . . Then there's the fellow who, finding the lounge too noisy in which to study, moves to the library and finds it too quiet there and falls asleep. . . . A casual walk around the college campus brought forth many interesting sights. A group of aggressive entomologists swinging with big nets at helpless bugs in the shrubs. . . . Yardkeeper dodging the long wet arms of the lawn sprinkler as he tried to move the device. . . . Archery students getting their exercise by looking for lost arrows. . . . A forum of "A" students discussing topics of the day over a cup of coffee. . . . And what happened to the columnist who was assigned to write about the girl's indoor sports. Who was that?

EFFERVESCENCE: The biology class is competing with the chemistry class nowadays. While the future chemists of America are experimenting with what makes a rotten egg a rotten egg, the biologists are trying to find out what makes a pickled cat tick. Whatever the solution, the engineering department should make their next project a machine capable of deodorizing.

NEWSFLASH: "Shutter-bug" Goddard seen about campus sporting his semester haircut. . . . Sherrie Hutchinson playing nursemaid to a lost rabbit. . . . Must be pretty hard on the pocket.

Exams Are Set For December 8

The semi-annual Foreign Service Officer examination will be given on Dec. 8, for anyone meeting the age and citizenship requirements.

To be eligible to take the examination, applicants must be at least 20 years of age, and under

Procurement Team From Marine Corps Interviews Students

A Marine procurement team visited Hartnell Oct. 10 to interview and, in some instances, give tests to men students interested in attending the Marine Corps Officer Candidate School.

Hartnell students showing special interest were: Larry Butts, Richard Klos, John Miller, Clarence Morris, Charles Elliott and William McNichols.

Marine recruiters made it clear that they were at Hartnell only to interview, and that students fil-

l- attendant and participated in exchange assemblies as a performer.

Betty's ambition is to become a professional dancer. She is a member of the Monterey Peninsula Ballet Company and is known in the community as a dancer. Upon graduation from Hartnell Betty Eckerson intends to enroll at UCLA or a school of dancing.

ROSEMARIE CLAMPITT, sophomore from Salinas, is the queen candidate of Phi Sigma Chi, Hartnell Engineer's Club. Rosemarie, a Salinas Union High School graduate, attended the University of Illinois last year, when she was an Alpha Omicron Pi sorority pledge.

Rosemarie serves as sophomore representative at Hartnell. She is a speech and drama major, and was active in dramatic productions

L. McCann Wins 25-Year Award

Mr. Lorell McCann, music instructor at Hartnell College and member of the Salinas Lodge No. 204, F.&A.M., was presented a pin on Oct. 19, acknowledging membership in the lodge for 25 years.

The presentation was made by Jack Anderson, oldest living past master and secretary of the lodge, at a dinner honoring those who have been members for 24-35 years.

Honor Society Names Officers

By Sandra Lim

Election of officers for the fall semester highlighted the first meeting of Alpha Gamma Sigma, the California junior college honor scholarship society.

Grey Whipple will assume the duties of president. Other officers are: Martha Borough, vice-president; Marietta Gonzales, secretary; Esther Shikuma, treasurer. The I.C.C. representative is to be appointed by the president.

Qualifications

To qualify for temporary semester membership in Alpha Gamma Sigma, a student must have not less than twelve quantity units or less than forty-five quality points. One must have earned a grade point ratio of at least 3.0, (all exclusive of physical education) in courses of recognized junior college standing, with no grade lower than C. At least six units in academic subjects accepted in satisfaction of the Lower Division requirements must be completed. To be eligible a student must be in good standing with the faculty and administration of Hartnell College.

Life members of the California scholarship federation in high school were eligible to become associate members for the fall semester. Associate members are Connie Olivete and Sandra Lim.

Fraer Made President Of Hartnell Ski Club

Mike Fraer was elected president of the Ski Club at its first meeting, held Oct. 16.

Jon Mills is the new vice-president, Ruby Shiontani is secretary, and Don Shirk is treasurer.

The water color class, under the direction of Mr. Leon Amyx, has had several outings to Moss Landing for sketch and water color work. Following the Moss Landing trips, time was spent in San Benancio Canyon sketching and painting the surrounding countryside.

Foreign Club Plans Activities; Adds Members

By SANDRA LIM

Members of the International Club are planning an active year under the guidance of advisers, Mr. Vahe Aslanian and Dr. Howard Braverman.

The International Club was organized primarily to help foreign students become acquainted with American customs and way of life. This club gives foreign students an opportunity to share their culture with fellow students at Hartnell College.

The International Club is active in school functions. In past years members have sold football programs, set up an international display during Public School Week, and sponsored dances.

One of the outstanding projects of the International Club was the sponsoring of a dinner last year. A Chinese dinner was served to approximately 200 people in the women's gym. Tickets to the event were sold by International Club members.

Proceeds from participation in various school activities have been directed toward student welfare. Funds have been established to lend a helping hand to foreign students.

Scholarship Fund

The International scholarship fund consists of approximately \$1,000. Each year a \$100 scholarship is available to a foreign student who has financial need and a desire to continue his education. American students are also eligible for the scholarship on the basis that he plans to study abroad.

A loan fund is supported by the International Club. A foreign student may borrow as much as \$50 in time of financial difficulty.

Members have organized to increase the membership of the Club where they believe both social and cultural atmosphere exist.

Guest Speaks To Home Planners.

The home planning class at Hartnell College, composed of architectural and home economics students, were privileged to hear Edward DeMars, director of the Monterey County Planning Commission, at its regular 8 o'clock session Thursday morning.

Mr. DeMars, a graduate of Hartnell, talked about the need for a County master plan, and then explained how planning was developed into land use maps and restrictive zoning.

For examples he used the Moss Landing, Carmel Valley and Santa Rita areas, showing why industrial, business, agricultural, residential, and transitional areas are necessary for the proper development of a community.

Stronger Jaguars Defeat Panthers

By Bob Scagliotti

The San Jose Jaguars handed Hartnell its second defeat in league play and its fourth defeat of the season by a score of 25 to 15 Friday night at the San Jose Municipal Stadium.

Hartnell's play was hardly what might be called mid-season form, as they lost the ball four times through fumbles, and were penalized a total of 50 yards.

The victorious Jaguar assault was led by Phil Cordero, a six-foot, two-inch, 210-pound halfback who averaged 13.8 yards in 12 carries, including a 74 yard touchdown run.

Panthers Score

Hartnell scored the first touchdown of the game early in the first quarter, after Ron Critchfield intercepted a San Jose pass and returned it to the Jaguar 27-yard line.

Five plays later the Panthers scored on a one-yard plunge by halfback Art Lopez. Roy Davis' kick split the uprights, and with six minutes of the first quarter gone, Hartnell led 7 to 0.

From then until halfway through the second quarter, the game was a scoreless duel. After a holding penalty against Hartnell, Jaguar end Dallas Sutton blocked an attempted punt by Liggett Lancaster. Lineman Blair Jones fell on the ball in the end zone, for a San Jose touchdown. In an attempt for the extra point, San Jose elected to pass, but their quarterback was

Jaguars Lead

Minutes later San Jose started a drive on their own 35-yard line. A pass from the end, Ventry, to the other end, Maralde, put the ball deep in Hartnell territory. Phil Cordero weaved his way through the Hartnell secondary for 27 yards and a touchdown. Maralde's kick was good, and late in the second quarter, the Jaguars led 13 to 7. When the halftime gun was sounded, the Jaguars were in possession of the ball and held a six-point lead.

The third quarter found Hartnell scoring their second touchdown of the game. They moved from their 34-yard line for a touchdown in 15 plays, including a 10-yard run by halfback Jim Fahey, and a 10-yard pass play from quarterback Critchfield to end Paul Stewart. Ron Bernal scored on a handoff from Critchfield from one yard out. Davis' kick again split the uprights, giving Hartnell a momentary lead 14 to 13.

Jaguar Touchdown

Following the kickoff return up to the 26-yard line, San Jose halfback Cordero, with a number of good blocks, went around his end for 74 yards and another Jaguar touchdown. The kick for the extra point went wide, leaving the score

Panthers - Oaks In Menlo Clash

Hartnell's Panthers will clash with the undefeated Menlo Oaks Saturday morning at 10 o'clock in Menlo.

The Oaks, with five straight wins to their credit this season, are top contenders in the race for the Jun-

ior Rose Bowl.

Midway into the fourth quarter San Jose started another drive on its own 23-yard line. Fourteen plays later, with the help of a 21-yards run by halfback Cordero, the Jaguars were on the Hartnell 7-yard line, where, on a pitchout, Bob Smith scored.

The attempt for the extra point again failed, but the damage had already been done, and Hartnell was behind by two touchdowns with less than five minutes to play.

The Panthers, in their last offensive attempt, failed to get a drive going, and a few minutes later the final gun sounded, with the score at 25 to 14 in favor of the San Jose Junior College Jaguars.

Undefeated Boise Held to 20-20 Tie

Displaying a well-balanced offense and a hard driving defense the Panther football team held the undefeated Boise J.C. Broncos to a 20 to 20 tie Oct. 13, at Boise, Ida.

Hartnell led by 13 points at the halftime and 20 points in the third quarter, but Boise rallied in the second half to come up with a tie.

Hartnell's first touchdown came on a one-yard plunge by Ron Critchfield. The second touchdown was scored by end Joe Bass on a pass from Ron Leonti, good for 46 yards and a touchdown. Crocker's kick was good.

Hartnell stretched its lead to 20 points in the third quarter when halfback Darryl Goodwin carried the ball over from the one. Roy Davis converted.

At this point the Boise team started its offensive and scored three quick touchdowns to tie up the game. Both teams raced against the clock to score another touchdown but neither was able to succeed in the waning minutes of the fourth quarter.

ior Rose Bowl.

They have scored 30 points or more in every game so far this season, with only two touchdowns scored against them in all five games. Their last victory was a 39-6 slaughter against the MPC Lobos.

Panther Track Team Loses to San Jose

For the first time in history, the Hartnell cross-country team lost to the San Jose Jaguars, by a score of 25-30.

This was the opening meet of the season for the Panthers, with two of their members, George Harris and Bob Kennedy, taking third and fourth places in that order.

Mickey Axe placed sixth, Tom Powell seventh, and Don McDowell tenth. Ed Brown came in last.
